later designated as an enterprise zone, then the department shall determine the amount of base period wages.

(2) In the case of a taxpayer that is a pass through entity, base period wages equal zero (0).

"Enterprise zone" means an enterprise zone created under IC 4-4-6.1.

"Enterprise zone adjusted gross income" means adjusted gross income of a taxpayer that is derived from sources within an enterprise zone. Sources of adjusted gross income shall be determined with respect to an enterprise zone, to the extent possible, in the same manner that sources of adjusted gross income are determined with respect to the state of Indiana under IC 6-3-2-2.

"Enterprise zone gross income" means gross income of a taxpayer that is derived from sources within an enterprise zone.

"Enterprise zone insurance premiums" means insurance premiums derived from sources within an enterprise zone.

"Monthly base period wages" means base period wages divided by twelve (12).

- (4) limited liability company; or**
- (5) limited liability partnership.**

"Qualified employee" means an individual who is employed by a taxpayer and who:

- (1) has his principal place of residence in the enterprise zone in which he is employed;

(2) For the taxpayer's taxable year in which the enterprise zone is established, the amount by which qualified wages paid or payable by the taxpayer during all of the full calendar months in the taxpayer's taxable year that succeed the date on which the enterprise zone was established exceed the taxpayer's monthly base period wages multiplied by that same number of full calendar months.

"Qualified state tax liability" means a taxpayer's total income tax liability incurred under:

- (1) IC 6-2.1 (gross income tax) with respect to enterprise zone gross income;

(c) The amount of the credit provided by this section that a taxpayer uses during a particular taxable year may not exceed the taxpayer's qualified state tax liability for the taxable year. If the credit provided by this section exceeds the amount of that tax liability for the taxable year it is first claimed, then the excess may be carried back to preceding taxable years or carried over to succeeding taxable years and used as a credit against the taxpayer's qualified state tax liability for those taxable years. Each time that the credit is carried back to a preceding taxable year or carried over to a succeeding taxable year, the amount of the carryover is reduced by the amount used as a credit for that

taxable year. Except as provided in subsection (e), the credit provided by this section may be carried forward and applied in the ten (10) taxable years that succeed the taxable year in which the credit accrues. The credit provided by this section may be carried back and applied in the three (3) taxable years that precede the taxable year in which the credit accrues.

- (1) does not own, rent, or lease real property outside of an enterprise zone that is an integral part of its trade or business; and
- (2) is not owned or controlled directly or indirectly by a taxpayer that owns, rents, or leases real property outside of an enterprise zone;

is exempt from the allocation and apportionment provisions of this section.

(h) If a pass through entity is entitled to a credit under subsection (b) but does not have state tax liability against which the tax credit may be applied, an individual who is a shareholder, partner, beneficiary, or member of the pass through entity is entitled to a tax credit equal to:

- (1) the tax credit determined for the pass through entity for the taxable year; multiplied by**
- (2) the percentage of the pass through entity's distributive income to which the shareholder, partner, beneficiary, or member is entitled.**

The credit provided under this subsection is in addition to a tax credit to which a shareholder, partner, beneficiary, or member of a pass through entity is entitled.
